Data Sheet

Polyethylene Label

Self-Adhesive

Stock Number: 7828108

Product Details

Conforms to EU Directive 2011/65/EU
Printed Colour – Red
Wording - " Electrical Safety Test - Fail "
Material - Self Adhesive Polyethylene
Label Size = 50mm x 25mm
Supplied – 72 Labels per Pack

Material Specification

Matt White, high density polythene; tested and certified to conform to BS5609. This product is fully recyclable with PE containers.

Type: Permanent acrylic
Minimum Application Temperature: 0°c
Service Temperature Range: -40°c/ + 120°c
Shear: Excellent
Tack: High N/inch^2
Final Adhesion: High N/inch
