# Data Sheet

Security Label -Self Adhesive

Stock Number: 7820422

Product Details

Conforms to EU Directive 2011/65/EU
Printed Colour – Black
Wording - " Calibrated "
Material - Self Adhesive write on silver void Polyester with clear laminate seal
Label Size = 40mm x 15mm
Supplied - 1200 Labels per Pack

Material Specification

Temper evident metalized silver void polyester film coated with a permanent acrylic adhesive.
Outdoor resistant material, expected exterior life at least 2 years (subject to substrate).
Material Meets REACH and RoHS requirements (2002/95/EC).
Thickness (Micron):
Film 60
Adhesive 27
Liner 81
Service Temperature Range: -40°c to 150°c
Minimum Application Temperature: 10°c
